

Nearby Hotels for Youth Conference:

We would be happy to house you in the homes of our people if you request it at least a week before the conference. Most of the people attending the conference will get billeted in the homes of our people. If you would prefer for your group to stay in a nearby hotel, here are a couple of the closest hotels. To get the posted rate, you must let them know that you are there with the Heritage Baptist Church Youth Conference. Feel free to negotiate on your own or try something like Priceline.ca if you think you can get a better rate.

We only have so many rooms reserved for our group at each hotel. After March 27th these rooms are all released back into general inventory for each hotel. You can still get the quoted price, but rooms might not be available for long.
